

Bible Study in GALATIANS

Nowhere in the New Testament is the truth of Biblical doctrine brought to bear with more power than in Galatians. The “apostle to the Gentiles”, with weeping and tenderness, exhorts the church to commitment and service. He exposes the whiles of the devil and his great effect on Christians who don’t “study to show themselves approved unto God” allow themselves to get swept up into. He encourages a watchful eye to correct doctrine and service for the Lord God Almighty.

Study in the Book of Galatians will correct doctrines that have been eluding the faithful for years. Most people have never truly studied the meat and potatoes of God’s Word and have grown up as a Christian on a diet of milk. The only way to grow as a Christian is to move on from the “milk” of Gods Word and get into the “meat and potatoes” of it. The Book of Galatians is certainly a full plate. Partaking of it will enrich and strengthen even the weakest of persons.

It is a hearty meal and we are inviting everyone in our community to join in the “open forum” Adult Bible Study of this nutritious Book of God’s Word: Galatians. The Study is at the offices of Grace Baptist Church on 726 Railroad, in downtown Shelton. It is held every Wednesday evening at 7PM.
