Timeless Truths

~~~~~

*John 9:11 Others said, How can a man that is a sinner do such miracles?*

There are people in the world today that claim that God does miracles through them on a regular basis. Most of them proclaim that they heal people. They gain a following that is true to them and not the Lord Jesus Christ.

In this passage, there is a very good question being asked. "How can a man that is a sinner do miracles?" Of course they missed the fact that it was not any normal man; it was the God-man: the Lord Jesus Christ. No man can perform miracles because all men are sinners. But, the Lord Jesus Christ is sinless; He is God. This is why He can perform miracles.

If they truly had the gift of miraculous healing, why are they not down at the cancer ward healing little children? In fact, why are we plagued with disease at all?
