# Timeless Truths

~~~~~

*John 3:30 He must increase, but I must decrease.*

The key to growing in the Lord is to give up the control of your life to Him. The stronger He grows in your life depends upon how much you relinquish the control of your life. The more you decrease, the stronger He becomes.

We like to keep control of our life. We like to be in the drivers seat. We like to be in control of our destiny, but if you think about it, no man can control his own destiny. God has it in control and we would be wise to reckon that to be true. Otherwise, we can drive ourselves crazy striving with God for the control of His creation--us.

Give it to God. He is in control anyway. As you do, you will grow stronger in the Lord.

Because He Is,
