Timeless Truths

~~~~~

*Acts 13:10 And said, O full of all subtilty and all mischief, thou child of the devil, thou enemy of all righteousness, wilt thou not cease to pervert the right ways of the Lord?*

The most subtle thing that can be done to deceive people regarding the Lord's work is to take His righteous ways and pervert them. That is--taking what seems right and offering it to people as if it is the Lords way. This is done with God's Word, His church, salvation, the rapture and other major doctrines. The Devil wants people to think they are saved when in fact they are not; he wants them to think they are safe when they are in danger. This is the most dangerous place to be.

We need to be so careful to not allow ourselves to be deceived. We can do that by studying and knowing the truth of God's Word.

Because He Is,
