# Timeless Truths

~~~~~

*Psalm 120:6 My soul hath long dwelt with him that hateth peace.*

Even though we live in a society that relishes peace, we do not live in peace. Peace is that elusive state that none of us can ever claim to have experienced. It will only be found in the absence of war and turmoil.

When I was younger, I loved the thrill of excitement and action. As I get older and read more of God's Word, I yearn more and more for peaceful moments. Still, even though I have my moments of peaceful fellowship with God, I do not know peace. The haters of peace are in this world and they are in control. Only after a great war and judgment will we have peace and it will only be in the Lord Jesus Christ.

The prayer for world peace can only be answered with the return of the Prince of Peace--our Lord Jesus Christ.

Because He Is,

Rev. Ron Coale, Pastor
