NOTE FROM THE PASTOR

I have turned in our offer for the building. It is presently being considered by the Grange Association. Please join me in praying for a favorable outcome. If God wants us to be in this area, then He will provide, but only if His people have a mind to work.

Pastor

What about being chipped?

By Rev. Ron Coale, Pastor

Revelation 13:16..... 16And he causeth all, both small and great, rich and poor, free and bond, to receive a mark in their right hand, or in their foreheads:

Revelation 13:17..... 17And that no man might buy or sell, save he that had the mark, or the name of the beast, or the number of his name.

Long before man even knew what a microchip was, God knew. Long before man even entertained the idea of keeping records on individuals, God did. He even knows how many hairs are upon each person's head. He doesn't need any computerized tracking system to keep things in order.

Did man get the idea of micro chipping everyone of his own accord, or did man subconsciously follow God's plan as outlined in the Bible? It is not as if man has created something new in technological advancement. Even though man likes to be independent of God, he is still secure within the realm of God's creation.

God relates this mark with the Beast of Revelation and the number 666. Man either copied God's prophetic proclamation or God foretold of something new man was going to come up with. I think it the latter because of Ecclesiastes 1:9 where we are told, "...there is no new thing under the sun." All of

Support the VBS YARD SALE FUND-RAISER. If you have worthy donations of items to sell, and/or can volunteer to help, we need you. All proceeds will go to the VBS so we can have more kids get saved this year.

The sale will take place the last Saturday in May (28th) from 9-5, at the Pastors house (corner of Crestview and Agate Loop Rd).

For any questions or further information, please contact Matt or Sally Coale.

THE ROBINSONS

MISSIONARIES TO THE PEOPLE OF

CHILE

MARCH 2016

Publicly and House to House Locally

By the grace and mercy of GOD, we and the two established churches here in Valdivia and in the town of Paillaco have been able to continue regularly engaging in the "Acts-20:2}-Method" of preaching the Gospel and evangelizing the lost right in the respective "home fields" of each group. In Valdivia, we have been specifically targeting the general neighborhood and smaller "poblaciones" surrounding the local church's meeting place, and although it hasn't yet yielded direct visible results, we are very thankful to the LORD for the liberty we have to preach (basically, anywhere: street corner, park, playground), distribute tracts {even in mailboxes, doorjams, cars, etc.}, and personally witness to anyone and everyone. We were also able to preach and go door-to-door in three locations in Bro. LaRue's neighborhood (our first time in this part of the city). Sadly, everywhere we go, generally speaking, Religionism has already done its dirty work, and II Corinthians 4:34 is the order of the day. As a part of this, the nefarious public presence and activities of the [False] Jehovah's Witnesses, Mormons, and Works-For-Salvation-Evangelicals (all of them are) have increased markedly. In fact, in many instances, one would almost be led to believe that "the prince of the power of the air" is targeting our organized efforts by having one or two of the aforementioned groups either "on-site" when we arrive or arriving shortly thereafter, readily sowing their "tares" in order to prevent the good "wheat" of the word of God being able to take root. Nevertheless, the word of God is "quick, and powerful, and sharper than any two-edged sword," well able to cut through any jungle of ecclesiastical overgrowth and pierce into a receptive heart. Amongst those for whom we request your prayers that the word of God delivered unto them would accomplish just that are: Francisco, a co-worker of Bro. Cristian who presents a tough exterior, but within whom the Holy Spirit is carrying out His continuous John-16:8 work; Jose, a classmate of Bro. Alfredo's son, Bro. Diego, to whom Diego has been witnessing, and whose interest has been piqued ever since Diego asked him if he is saved, to which Jose responded, "I'm an 'Evangelical'," to which Diego in turn replicated, "Well, I'm a Christian [and there is a difference]"; and Guillermo, a professing Catholic who called regarding our "What Religion..." tract, inviting us to come visit him at home to explain to him what religion is the one that he needs [this is usually the second response to the tract (the very message of which is that no religion is the one that one "needs"), after asking, "So what religion are you, then?" - II Corinthians.4:4 clearly has more far-reaching effects than 'Just' blinding folks to "the light of the glorious gospel of Christ"]; he sounded quite sincere {not just simply arguing, as have most who have responded to the same tract), with the conversation going very well, but the call got cut off mid-steam. and I have been trying to call him back since. but to no avail - please pray that the LORD, would allow us to reestablish contact and arrange a visit with him, according to the sincerity* of his heart in seeking the truth.

Publicly and House to House Regionally

In our regular activity of taking the Gospel out into the towns and villages of our region, we visited Rio Bueno for the first time: this town of approximately 31,000 souls is about an

hour and a half south of us by car, and is pretty much the southern-most municipally of our administrative district. We preached and passed out tracts in three locations there, and had the opportunity to witness personally to a few people: Sis. Cagle spoke with a woman claiming to be non-religious, but who also told her that the Roman Catholic Virgin Mary is her "mother," and then asked who Sis. Cagle's "mother" is; Fernando also stopped to inquire regarding our activities, claiming to be saved and a Baptist in response to my query regarding his soul, but a few minutes of Bible-based conversation quickly revealed that he is counting on his works to "ensure" his salvation; and Roberto, who, after listening to Bro. LaRue's preaching on the Great White Throne Judgment in Revelation 20, sat with me and went through much of the Bible regarding his eternal destiny and hopelessness without Christ, recognized his need, knelt there with me and cried out to the LORD to save him, in his own words, and in quite a bit of personal desperation (to be frank he smelled of alcohol, but didn't seem to be a the "classic" street drunk so, only God knows how sincere his heart was and is). Well, Bro. LaRue was able to make contact with him recently, and we're supposed to meet up with him early next month (April, so please pray that this follow-up effort will be used of the LORD to lead him in the path of Biblical Christian discipleship. We also went to Reumen this month on our "usual rounds" - no visible response there, but an unusual number of people were out and about and received tracts, and we trust that the LORD will continue to work in their hearts regarding the need for Biblical salvation.

Valera Bible Institute of Chile (IBVC)

We also praise the LORD this month for allowing us to get Bible Institute classes started again. The bulk quantity of our time is now dedicated to this effort, as there are nine classroom hours over the course of three nights per week, and the curriculum preparation is literally seven-days-per-week during whatever time slots present themselves as available. The students (Cristian, Gerardo, Vince, Sarah, and Brenda) are doing well so far, and will increasingly need your prayers as the pace intensifies over the next few weeks, as will "Assistant Professor" Bro. David, who is teaching two of the courses [the Director/Senior Professor is already in way over his head, but seeing as how I'll just take it out on the students, you should simply pray for them!]. The aforementioned Rio Bueno trip was also the new IBVC group's first "regions beyond" evangelistic outing (as a "class"), something we hope to be doing at least once a month as a part of their weekly hour's "field work." [By way of explanation: "Personal and Public Ministry Theory," is a one-hour instructed course in the classroom during the first year, and "Personal and Public Ministry Practiced is demonstrated and exercised in the field the entire three-and-a-half years as a similarly "accredited" hour's coursework.] We have some transportation issues that hinder this, so please pray for us about that as well.

A faithful brother in need of some Hebrews 13:3b prayers

We mentioned Bro. Raul's deteriorating physical health situation a couple of months ago, and bring it to your attention again now in light of the fact that there has been no improvement, and our brother really needs you upholding him in prayer. He continues to plug right along without complaining and considering it a divine privilege to be able to experience a personal version of II Corinthians 12:9-10, but the strain of pastoring two churches in two towns is visibly wearing him down, so we just ask that you pray for him as regularly as possible, that he may continue to do what he knows the LORD has given him to do, and bring glory to his Savior in such manner. The main issue (of several) right now is that he apparently has some herniated/bulging discs in his lower back (and is in constant pain as a result,

(Continued on page 6)

(Continued from page 5)

of course), but the MRI appointment prescribed by the doctor for confirmation of the same is taking, well, just as long as one would expect in a socialized-medicine system (mind you, this is just to find out what's wrong, not to deal with it). He hasn't been able to work regularly as a result, so we and the churches are doing what we can to help out additionally there (thank you, by the way, to those of you who've been sending additional contributions here and there, which has made the extra help possible); now it looks like the little car we had given him a feu' years back (for him and David to be able to handle both ministries) is reaching the end of its duty cycle, with everything coming apart simultaneously. *BUT GOD...' is still our only hope and stay, and we know that He will respond if you will but pray, amen!

In Christ,

the intelligence that man is able to bring to bear can do nothing but copy God's prophecy. This is especially disturbing for the Atheist who's paradox is living within something he does not believe exists--Creation. He cannot discard the mark of the beast without discarding all of creation, including his very own existence.

Now it is a hoax that NBC Nightly News predicted that "all Americans will receive a microchip implant in 2017." It is a manipulation of the report that various forms of biometrics (finger prints, eye scans, micro chips, etc.) technology may be advanced enough by 2017 to be implemented for public use. However, because the technology is available, does not mean that the antichrist cannot use it in fulfillment of Biblical prophecy. It certainly is possibility that has been talked about for centuries.

The Warning

Revelation 14:9..... 9And the third angel followed them, saying with a loud voice, If any man worship the beast and his image, and receive *his* mark in his forehead, or in his hand,

Even though God warned man about the coming "Mark of the Beast", man still runs headlong into disaster. It is not so much that man is unwilling to do something about it, it is because man's nature is to be independent of God. Man has a nature to want to exclude God from his life and try to figure out is own problems. So, man tries to appease his guilty soul by inventing ways to circumvent God's warning. One of his favorite ways to do this is to place it within the realm of fantasy. Many movies, books and shows gently tweak God's warning so that it is either easier to accept as untrue or that it does not have any bearing at all ("Hey! If I haven't been warned, how can

God hold me accountable?").

God gives man a warning so that man can understand what the future holds. He doesn't do it just for fun so He can see how His little "ant farm" of human society reacts. He wants man to know the rules of His future judgment so He

(Continued on page 8)

can be just; and "up front" with man. It is very similar to the warning He gave to Adam and Eve in the garden or Eden about the tree of the Knowledge of Good and Evil (Gen. 2:17). It is similar to the giving of the Law to man (Exo. 20:1-18). He is very transparent in His intentions with man.

In this generation we have always assumed that it will be a mark representative of a biometric chip placed under the skin. The technology does exist and has been tested. Like all things of corruption, it begins as a thing which is good that is later perverted. It will be a good thing to not ever be able to lose a credit card or bank book again. It will be good to have all of your health information on hand (even if you are unconscious.) It will be good to never have to wade through a pile of tax forms or job applications. But, the benefits do not outweigh the means if an evil man (and they do exist in abundance) can harness such information and pervert it for evil intents. So, God warns against ever receiving a mark, no matter how good it sounds.

The Result

Revelation 14:11..... 11And the smoke of their torment ascendeth up for ever and ever: and they have no rest day nor night, who worship the beast and his image, and whosoever receiveth the mark of his name.

To receive the mark is to worship the beast and his image. A person might wonder how that can be? There are many forms of worship and God considers this one form of worship to a false god. In this God's critics are right when they say that He is a "one way" God. They are absolutely correct when they accuse of being a God who says, "It's my way or the highway." However, it is not bad to be so narrow minded in opinion when that way is in fact the right way; the correct way that will lead to salvation, safety and sanctification.

If a person is to receive a mark on their forehead or in their hand, they are condemning themselves to a life of torment where there will never be rest, day or night. No one can claim ignorance regarding this. God has written it down in His book (the number one, best selling book of all time.). God has sent His children into all the world to preach the gospel (Matt. 28:19) and teach people about this (Matt. 28:20) and many more things. It is not God's fault if His children didn't do what He told them to do. If anyone goes to hell and is tormented day and night forever, it is not God's fault. He has given ample warning.~
